

**Announcing Free Factory Upgrades for Existing PowerShells
for Z1 Users Who Purchase an Extended Life Battery**

This program is designed to existing PowerShell owners. If you already own a PowerShell and purchase a NEW Extended Life Battery, you need to **upgrade** your PowerShell to enable complete charging of the new Extended Life Battery.

You will need to send your PowerShell with the form on the bottom to

Breas Medical AB
attn Service Department
Företagsvägen 1
SE 435 33 Mölnlycke
SWEDEN

To ensure that you receive an **upgraded** PowerShell back, you need to include the serial number of the PowerShell. The form can also be found on our website Breas.com. <http://shop.breas.com/documents-and-downloads/>

The program applies to PowerShells that were manufactured prior to 2018 week 50. To determine eligibility, remove the battery from the PowerShell and refer to serial number inside of PowerShell.

EXAMPLE SN: **U 36** 7019

Eligible if the letter is L- Q - C or H  Eligible if U and week prior to 50

If you have any questions, please call Breas Technical Support at +46 31 86 88 60.
This program may be changed or modified at any time.
